## Seward Welcome Sign Funding Project

---

Seward Foundation

Dear Folks at the Seward Foundation!

The Seward County First Impressions Working Group wants to thank you for contributing funding to help remake the four Seward Welcome entrance signs at each entrance to Seward.

Without you it could not have been done. Your donation went to Seward County Bridges, a 501(c)(3) organization.

The lower portion donor badge graphic will be produced and installed later this Summer. See attached rough graphic. This is painted using high-visibility paint and will last about 20 years.

Sincerely,

Gary Rolf, Chairman  
402 643-3636
